VASE
COLUMN

At Nusmetro, we deliver what we design.

Arte Mont Kiara Lobby, Vase Columns:
Brought to life at our Phileo Gallery, the
baroque lace detailing on the ceiling high
vases create an opulent entryway for
Tower 1 visitors.

DIAMOND
LOUNGE
CARPET

We are dedicated to design, down to each detail.

Arte Mont Kiara, Diamond Lounge Carpet: Showcased at our Phileo 1 Gallery, the post-gothic elements look lavishly baroque when woven into a swirl of blue hues, immersing guests in French-retro flair.

Moooi carpet by Marcel Wanders.
